Mobile Mammography Participants Guidelines

Simple Steps for an Exceptional Healthcare Experience!

1) Contact your onsite coordinator to schedule the day and time of your mammography appointment.

2) Make note of this important date and time. St. Joseph’s is committed to providing this valuable service but to do so we MUST have ALL participants attend their appointment on the scheduled date and time.

3) Go to http://emoryhealthcare.org/esj-mobile-schedule. Review the list of sites, choose your site and fill out the information required.

4) Each participant must provide the name, address, phone and fax number of their physician. If they do not have a physician they may get one by calling the Physician Referral Line at 678-843-7312. Participants will not be scheduled without complete physician information to send the report. No exceptions.

Important Information and Mandatory Guidelines

2. Please bring your insurance card(s) and picture id to your appointment so that St. Joseph’s can bill your insurance for this service. Each participant is responsible for
